

Unifund INC.

Dear Scott,

It was pleasure working with you again, and I would like to thank you for securing the 27th Floor at 712 Fifth Avenue.

We greatly appreciate your skillful negotiating with the landlord on our behalf and the effort provided to achieve all the concessions and the best possible results. Again, I wanted to thank you for your expertise in working with the Architect and the building construction department in order for us to achieve the highest quality and timely construction process. We are truly grateful of your professionalism and determination in making sure that our move was as simplistic as possible.

Thanks once again for your support,

Best regards,

Jasmine Tani
